Draw a badger

Repeat-practice reference · Use the detailed lesson for every construction action.

Make the body oval twice the head's width; overlap their edges and leave one head-height below for legs.

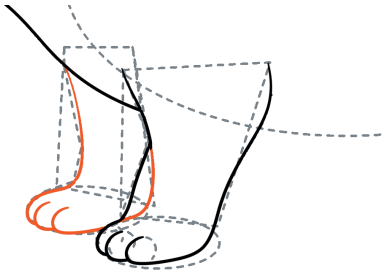

1. Head and chest

Join the jaw and chest, then erase all eight head guides. Keep the body oval.

pp. 2–7

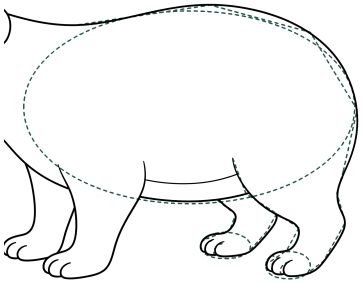

2. Front legs

Round the far leg and toes, stopping behind the near leg.

Full lesson
pp. 8–13

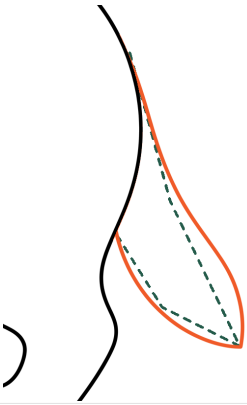

3. Body and rear legs

Erase the body and rear-leg guides; keep four feet and both belly curves.

Full lesson
pp. 14–19

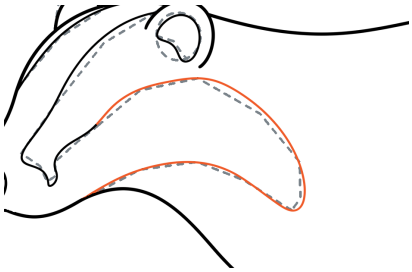

4. Tail

Curve between the two body joins and tail tip; erase the tail wedge.

Full lesson
pp. 20–21

5. Face bands

Round the cheek band through its turns to the jaw join.

Full lesson
pp. 22–25

6. Face cleanup

Erase the face guides, keeping the eye, nose loop, mouth and both bands.
