Gingerbread house lesson plan

One-page repeat-practice reference. Learn the full sequence in the complete lesson.

Pencil and eraser. Start with a wide rectangle.

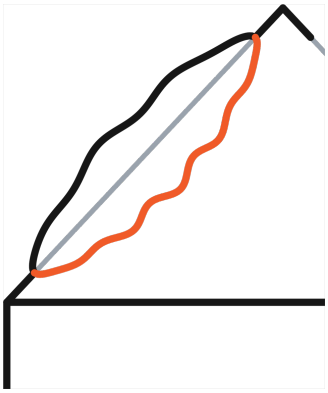

1. Share one roof base

Use the wall top as the roof base. Join the corners at the peak.

Full lesson
pp. 1

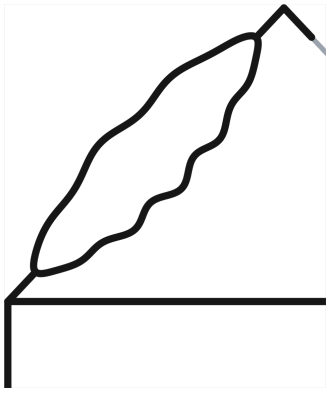

2. Close the first icing strip

Join the outer waves and inner scallops at the same endpoints.

Full lesson
pp. 1

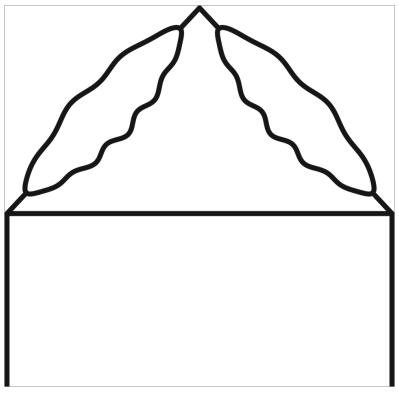

3. Erase the covered slope

Erase the middle guide only. Keep the icing edges, peak, corner and base.

Full lesson
pp. 2

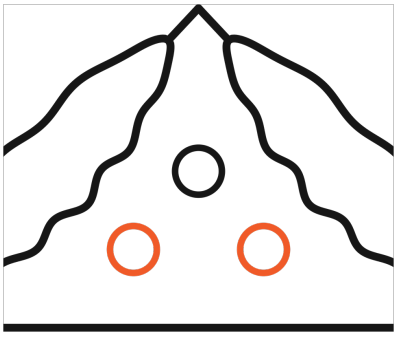

4. Repeat on the right

Repeat from the same points. Erase the light middle guide and keep the base.

Full lesson
pp. 2

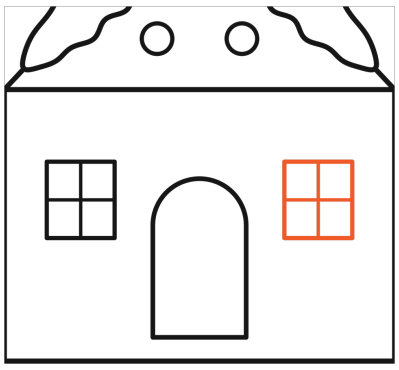

5. Choose roof decorations

Leave gaps between the three candies and icing, or use short sprinkles.

Full lesson
pp. 2–3, 7

6. Align both windows

Keep the windows level. Stop each pane line at the frame.

Full lesson
pp. 3–4

Keep dark permanent lines. Erase only the light guides named in the lesson.
