Kitten lesson plan

One-page repeat-practice reference. Learn the full sequence in the complete lesson.

Pencil and eraser. Start with a light circle and leave room below.

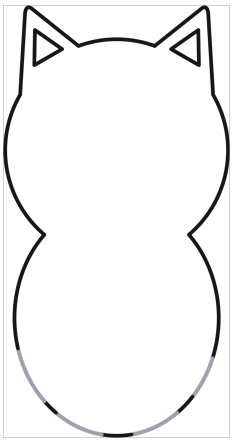

1. Open the ears into the head

Overlap two triangles on the circle. Erase only the bases and arcs inside them.

Full lesson
pp. 1

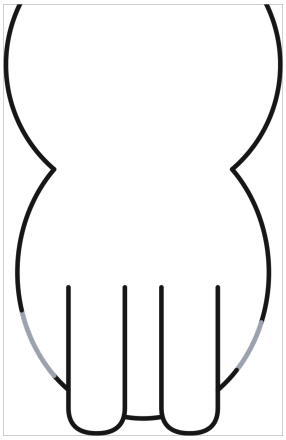

2. Join the head and oval

Overlap the tall oval below the head. Erase both overlap arcs and keep the outside.

Full lesson
pp. 1–2

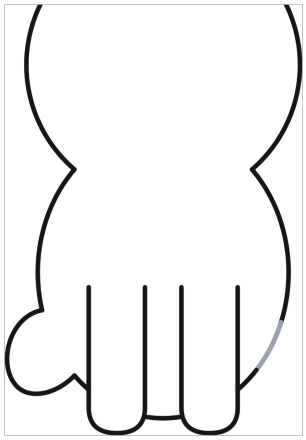

3. Level both paws

Begin the front legs inside the body. Erase the leg tops and covered body arcs.

Full lesson
pp. 2

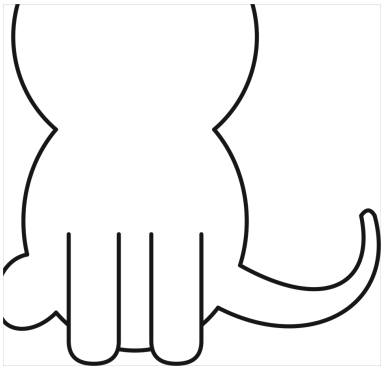

4. Open the sitting leg

Curve out and back. Erase the body arc inside the new curve.

Full lesson
pp. 2–3

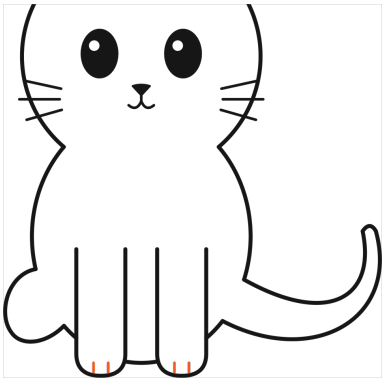

5. Open the tail join

Round the tip. Erase the body arc between the two ends and keep both tail edges.

Full lesson
pp. 3

6. Finish the face and paws

Keep eye highlights white. Place whiskers below the eyes and toe marks inside the paws.

Full lesson
pp. 3–4

Keep the dark outer lines. Erase the light overlaps only where the lesson shows.

Print: lesson plan 1 page. Complete lesson 6 pages. Choose Letter or A4.
