Single daisy

Choose one petal color and a contrasting center.

Peony bouquet

Compare this bouquet with the single bloom; repeat a color family.

Make another version

Choose a color for the single flower.
Try it again in the bouquet, or make the
two pictures feel completely different.

Print this PDF on its matching paper size.
Use Actual Size / 100%, or Fit if your printer needs more margin.
The downloads are free. No email or purchase is needed.
